

If I'm to die...

For the love of my life,
who may or may not exist.

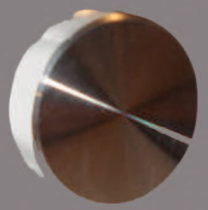

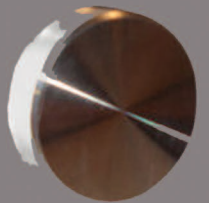

If I'm to die in the next 30 seconds,

I'll have myself some instant tea.

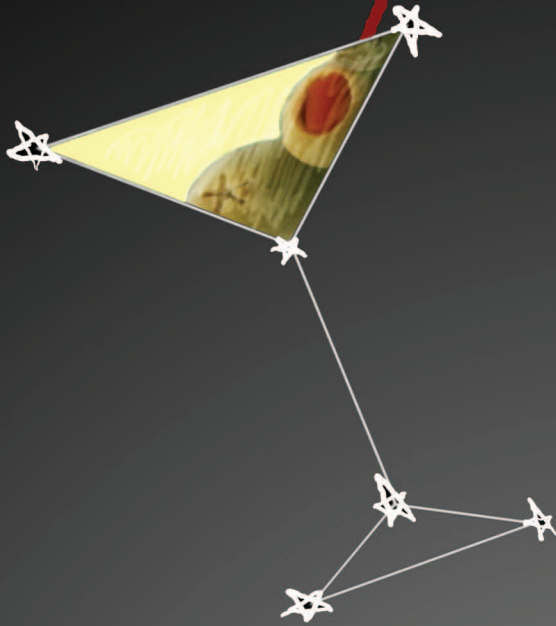

If I'm to die in the next 30 minutes,

I'll watch
a show
on my T.V.

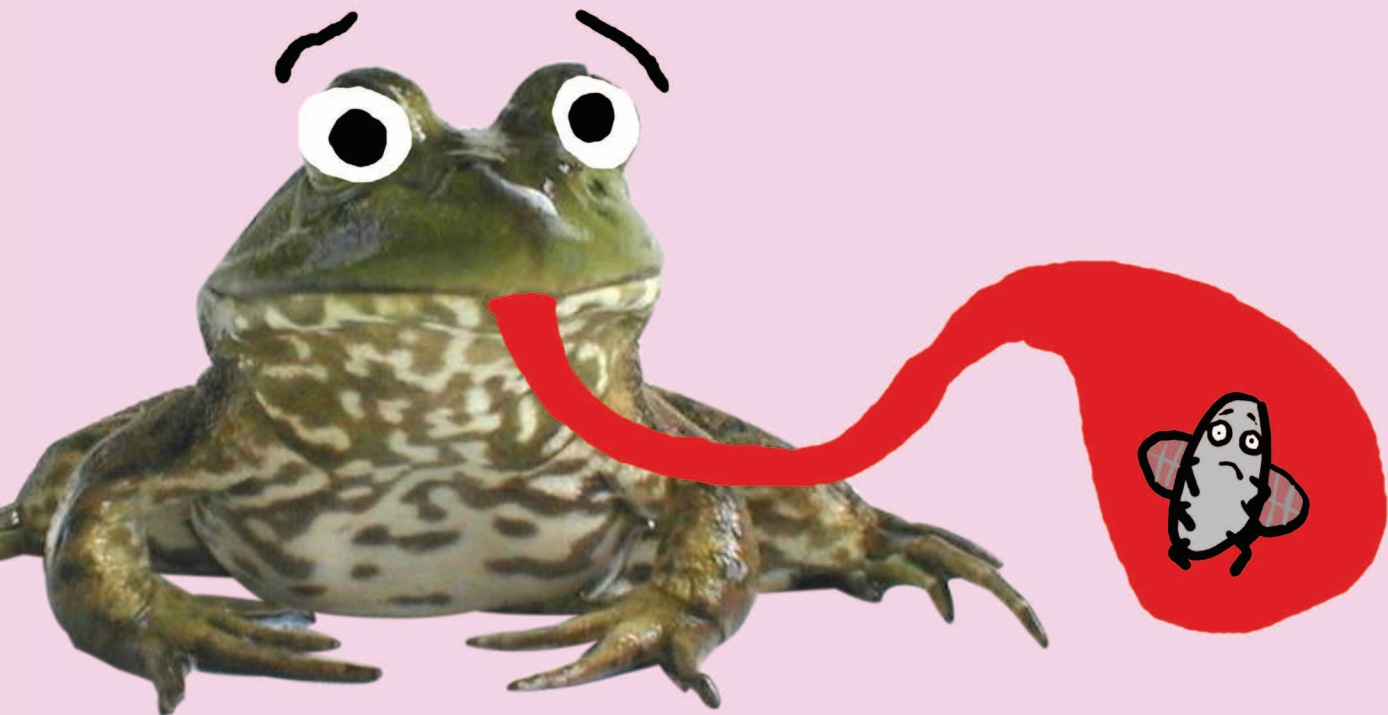

If I'm to die after one more day,

I'll spend 24 hours
like they were the night.

If I'm to die after one more week,

I'll stay up 7 days
kissing everything in sight.

If I'm to die with the passing of a year,
I'll have 4 whole seasons

to take it all in.

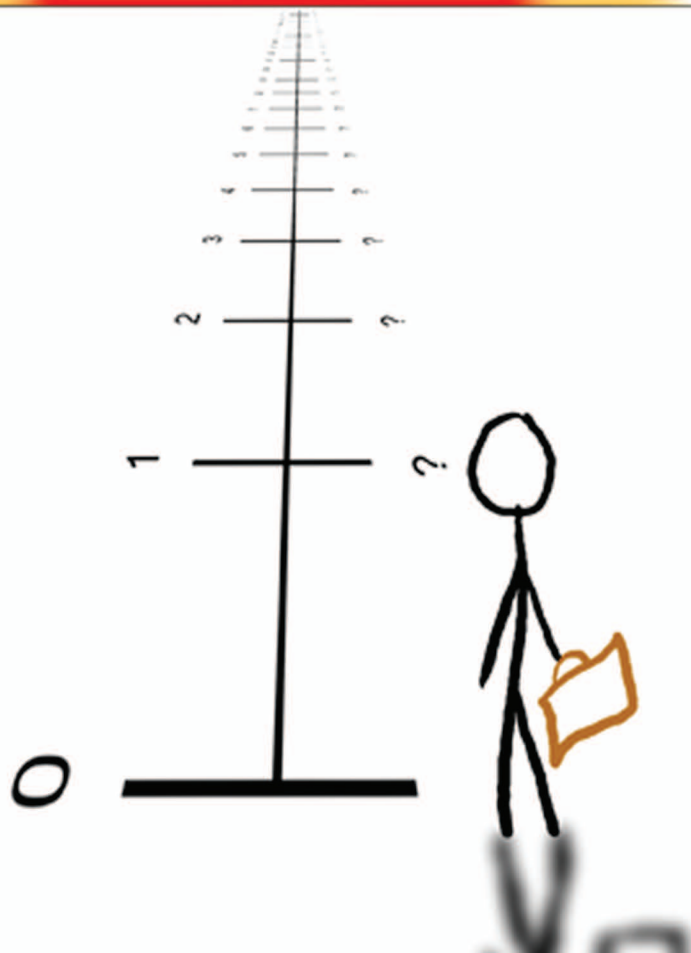

And I'll have 40 whole seasons
at my disposal

if I'm to die with the passing of 10.

But if I'm to die in 60 years,
I'm not sure what I'll do...

~~Get a good~~
~~Make a fortune in the stock market~~
Strike it rich in the stock market
Save the money
Invest it

Open my room
Get a really good credit score.
Spend every waking hour
wandering and looking for
you.

••• except to

And once we meet, I'll really try my best
not to be a scumbag, a pig, or a jerkface.

WE CAN GO TO THE MOVIES,
IF YOU WANT,
AND I'LL SEND FLOWERS TO YOUR WORKPLACE.

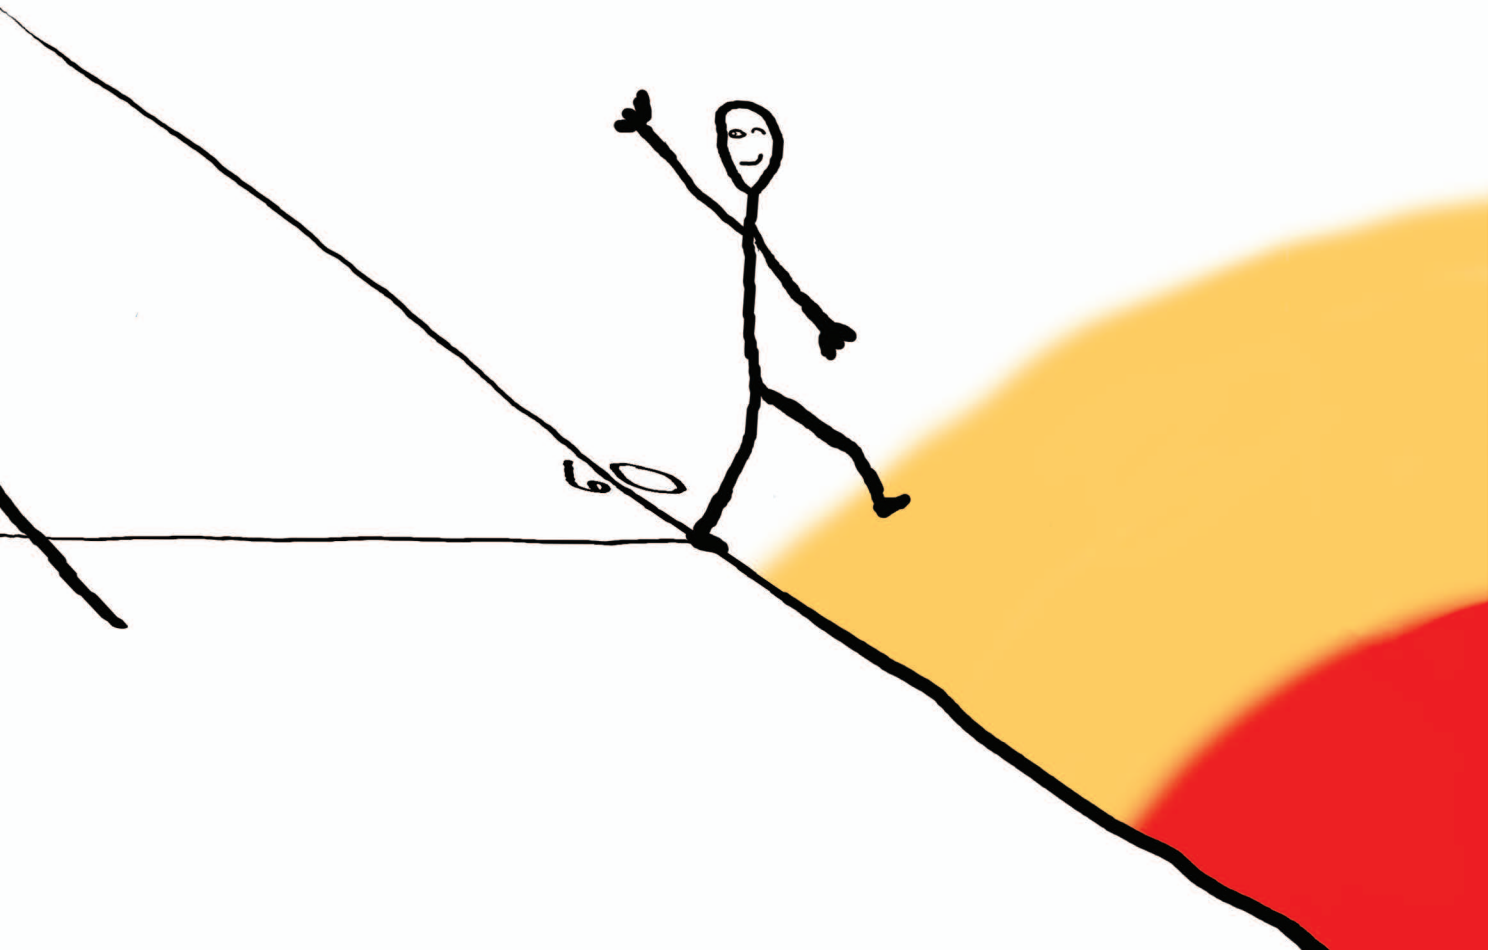

I'll never be
dissatisfied, lonely,
or bored,

knowing you're
okay with
me calling
you mine.

And I won't be unready, nervous, or scared
when I reach year fifty-nine point nine nine nine nine.

And right before I go, I'll make sure that you know

that

You
mean

more than

the world to me.

But if I'm to die in the next 30 minutes,
that's okay too.

It's a decent night
for T.V.
